St. Agnes Church

Sacred Sites Open House Weekend

May 16th and May 17th

St. Agnes Church was designed in the neo-Gothic style by the noted Brooklyn church architect, Thomas Francis Houghton (1840-1913), a student and later partner of the famed 19th century architect, Patrick Charles Keely. It was constructed between 1904 and 1913. The stained glass windows of St. Agnes were made in Munich by the renowned firm of Franz Zettler in 1904. They are unique in many respects, but they are also an unusual choice of theme for the nave of a church. Most churches have a variety of biblical themes, mysteries of the Rosary, and saints for its most visible windows. The eight windows in the nave portray only the life and martyrdom of the church's patroness.

Tours of the St. Agnes Church and its stained glass windows will be led by Delma Tallerico, author of Ecclesiastical Architects, Artists, and Artisans in America: 1860 - 1920, 4th edition. Tours will be given on the hour from **2pm to 6pm, Sunday (5/17) only**. While the church will be open on **Saturday (5/16) from 12 noon to 4PM**, guided tours will only be offered on Sunday (5/17) during the hours noted.

SAVE THE DATE

The Annual St. Paul/St. Agnes Card Party/Chinese Auction will be held on **Saturday, October 3rd** in St. Paul Parish Hall. The cost is \$15.00. Donations Appreciated.
